

 **BARRISOL**®  
Creadesign®

*24 colors of flocking, 127 colors in 6 finishes are at your disposal to bring all of your ideas to life.*

## Creadesign®

The Creadesign® process consists of applying partial brushed suede patterns on Barrisol® sheets.

The patterns are outlined “in depth” developing a sense of sight and touch.

### Your choice of Personalization

#### Choose your pattern

8 trendy patterns (baroque, floral, geometrical, savanna) are available among

24 colors of flocking and 6 finishes in the Barrisol® line of sheeting (choose among more than 120 colors), which offers you plenty of possibilities.

#### Create your own motive

In addition to standard patterns, you can be audacious in submitting us your own pattern to personalize your project as you wish. With logos or abstract forms, you can multiply the possibilities!

This complete custom design is possible for any surface greater than 500m<sup>2</sup>.

Please consult regarding the availability of Barrisol® Creadesign® standard sheeting.

### Uses

Walls, ceilings, furniture, lamps, the Barrisol® Creadesign® line decorates all your interiors.

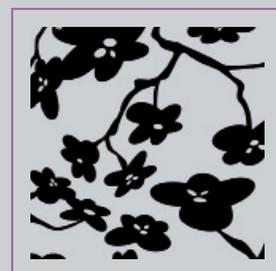

### Applications

The design and the finish of the Barrisol® CreaDesign® line offers a unique design for every interior space (residential or commercial).
